Assumptions:

The FY2014 revised budget is based on 152 FTE's, with a 5% increase each additional year.

The base per pupil amount used is \$5,653 the first year, and \$5,800 the remaining years of the forecast.

Beginning with FY2015, most revenues increase in correlation to the increase in enrollment each year. Most expenses remain constant, unless there is an agreement in place.

We are predicting a decrease in title funding over the duration of the forecast.
